National workshop Horsens,
8 - 9 November 2025

Velkommen

Det er os en stor glæde og ære at byde jer hjerteligt velkommen til Dansk Suzuki Forbunds Nationale Workshop 2025 – i år afholdt i smukke Horsens Kommune.

Horsens Musik- og Balletskole har fornøjelsen af at være værter for tredje gang, og vi glæder os til at samle børn, unge og familier fra hele landet til en inspirerende og uforglemmelig weekend i musikkens tegn.

Workshoppen bygger på Suzukimetodens grundlæggende værdier: tillid, tryghed, gentagelse, leg og glæden ved at lære sammen. Med afsæt i denne pædagogik – udviklet af den japanske violinpædagog Dr. Shinichi Suzuki – skaber vi et læringsmiljø, hvor børn og unge i alderen 3–18 år kan fordybe sig musikalsk i fællesskab med ligesindede.

I løbet af weekenden vil deltagerne møde en række anerkendte undervisere fra både Danmark og udlandet, som med engagement og faglighed vil inspirere og undervise. Afhængigt af alder tilbydes blandt andet masterclasses, rytmik og klap, fællestimer og sammenspil. Undervisning tilbydes i violin, bratsch, cello, kontrabas, klaver og guitar.

Udover musikalsk fordybelse er der rig mulighed for at skabe nye venskaber og minder for livet. Weekendens afsluttes med en storslået fælleskoncert, hvor alle børn står på scenen og deler deres musikglæde med publikum.

En hjertelig tak til de mange ildsjæle og sponsorer, der har gjort denne workshop mulig: Rema1000 for frugt, Erda & Christian Schrøder Fond, Toyota-Fonden, William Demant Fonden, Augustinus Fonde, STG Gavefonde, Insero Horsens – samt de mange engagerede frivillige familier, uden hvem denne weekend ikke kunne realiseres.

Vi ser frem til en weekend fyldt med musik, nærvær og fællesskab – og ønsker jer alle en fantastisk oplevelse.

Welcome

It is with great joy and honor that we warmly welcome you to the Danish Suzuki Association's National Workshop 2025, held this year in the beautiful Horsens Municipality.

Horsens School of Music and Ballet is delighted to host the event for the third time, gathering children, youth, and families from across the country for an inspiring and unforgettable weekend centered around music.

The workshop is based on the core values of the Suzuki Method: trust, safety, repetition, play, and the joy of learning together. Rooted in this pedagogy – developed by Japanese violin teacher Dr. Shinichi Suzuki – we create a learning environment where children and young people aged 3–18 can immerse themselves musically in the company of like-minded peers.

Throughout the weekend, participants will meet a wonderful lineup of esteemed teachers from Denmark and abroad, who will inspire and teach with passion and professionalism. Depending on age, the program includes masterclasses, rhythm and clapping, group lessons, and ensemble playing. Instruction is offered in violin, viola, cello, double bass, piano, and guitar.

In addition to musical immersion, there are many opportunities to form new friendships and lifelong memories. The weekend concludes with a grand final concert where all children take the stage to share their joy of music.

A heartfelt thank you to the passionate supporters who made this workshop possible: Rema1000 for fruit, Erda & Christian Schrøder Foundation, Toyota Foundation, William Demant Foundation, Augustinus Fonde, STG Gavefonde, Insero Horsens – and the many dedicated volunteer families.

We look forward to a weekend full of music, presence, and community – and wish you all a fantastic experience.
